Madam / Sir,

With reference to the subject cited above, I am to inform you that Higher Education Department (HED), Government of Odisha with support of World Bank is implementing the program "Odisha Higher Education Program for Excellence and Equity" (OHEPEE) during FY 2017-2022. The objective of the program is to improve the quality of and equitable access to selected higher education institutions and enhance governance of the higher education system in Odisha. The program includes improving the curriculum, strengthening teaching and learning, promotion of e-learning, integration of skill development and strengthening of administrative mechanisms among others. The program is supporting 137 colleges and 11 universities. Out of these, there are 93 aided colleges (Annexure-I).

As per the agreement with World Bank, certain targets are to be met every year. One of the five Annual targets for this FY 2019-20 is conducting at least one meeting of the Governing Body and the proceedings of the same should be uploaded in the college website within two months of the date of meeting.

It is noticed that some of the aided colleges have not achieved this stipulation. Hence, you are requested to chair at least one meeting of the Governing Body / Managing Committee of the colleges under your purview by 15th March 2020 and the proceedings of the meeting be uploaded in the college website by 25th March 2020.

Yours sincerely,

P.B.
